

## **ANALYST CERTIFICATION**

The undersigned certifies that this report has been conducted in accordance with the requirements of the Texas LoanSTAR Program Technical Guidelines and Format as administered by the State Energy Conservation Office. The undersigned also certifies that the data and the cost reduction estimates presented are factual, accurate, reasonable and in accordance with generally accepted engineering practices to the best of the analyst's knowledge and that this knowledge is based on the analyst's on-site investigation of the facilities involved.

*The undersigned further certifies that the analyst will not receive additional financial remuneration (bonuses) beyond salary based on items recommended in the report. The analyst certifies that he/she has not developed specifications or processes for an item that will result in only one potential supplier or manufacturer meeting those specification or process requirements, particularly the supplier or manufacturer that employs the analyst.*

The undersigned further certifies that the analyst has no undisclosed, conflicting financial interest in the recommendations of this report.

*The undersigned also agrees that any equipment recommendations resulting from this or any other report generated under this program can be fulfilled by a minimum of two equipment manufacturers for projects under \$1,000,000 and three equipment manufacturers for projects over \$1,000,000. Additionally, the undersigned affirms that he/she will not influence a borrower to selecting any one of the manufacturers.*
